

Full Page Ads

For Full Page ads please supply one of the following: Color or black & white ad: 5"x10", supplied as a Press Quality CMYK PDF file or typed message. Photos with captions accepted.

Robert S. Forman, second generation Sands Point Resident, son of Alexander Aberdeen Forman II and Elizabeth Stevens.

Built for Daniel Guggenheim's son, Harry Guggenheim, Falaise was constructed in 1923 to the design of Frederick J. Sterner, architect. Built in the style of a French Norman manor house, the siting of the house overlooking water explains the name "Falaise", from French for cliff.
